

The Lodge Simonscales Mill Cockermouth

Our Lodge is situated on the river bank some 30 yards from the cottage and our home but is sited behind a hedge, which separates it from the main buildings. It has its own veranda area with garden furniture and B.B.Q. It has been designed for wheel-chairs and has ramps to the entrance. There is a lovely view of the river from all the main windows. The Lodge has a beautiful studio style lounge/dining room/kitchen with three piece suite, colour TV, D.V.D and CD / tape deck.

There is double glazing throughout and gas central heating in all rooms. The kitchen has a good range of units, four ring gas cooker with double oven, microwave, fridge/freezer, mixer, toaster and electric kettle. All crockery, cutlery and utensils are supplied, plus iron and ironing board.

There are three bedrooms, one double, one twin (with 1 adjustable bed) and one single with optional extra bed , which are all tastefully furnished. All clean bedding and towels are supplied and the beds are ready made up for your arrival. The 'wet' room has been designed to accommodate wheel-chairs and has hand basin and loo. There is also a separate loo with wash-hand basin.

Private parking is available adjacent to the lodge. Pets are welcome as long as they do not chase the resident dog and ponies.

The Lodge is non-smoking. The gas is paid on a meter reading and electric paid through £1 coin meter.
